### **Mikrotech Wins 2012 "Fast Five" Award**

Mikrotech, LLC (Kenosha, WI) announced today that the Kenosha Area Business Alliance and the Kenosha Area Chamber of Commerce have awarded Mikrotech the 2012 Fast Five award. Mikrotech was recognized as one of Kenosha's most rapidly growing companies. The Fast Five puts a spotlight on companies that have made a significant economic impact in Kenosha County over the past year. The award will be presented at the annual dinner hosted by both KABA and the Chamber on Wednesday, November 14, 2012.

"The Fast Five award is an important acknowledgement of our commitment to bring innovative products and services to our customers in the medical device market," said Kevin Brennan, Mikrotech's President.

Mikrotech is a leading full service micro manufacturer of custom-designed components and subassemblies for medical devices used in minimally invasive surgery (MIS). Mikrotech offers a comprehensive range of services to support MIS designers and manufacturers in all phases of the product development cycle: [micromachining](#), [micromolding](#), [insert micromolding](#), micro subassembly and design and manufacturing engineering assistance.
